

Complaints are regularly received of parents/carers who stop in the no stopping zone to drop off or pick up their children or to perform U-turns. A no stopping zone sign is shown below and has been installed for the safety of all children attending the school.

No stopping sign

The Regulations state that: **“a driver must not stop on a length of road or in an area to which a no stopping sign applies.”**

These signs are normally found near crossings and intersections. Sometimes conditions are imposed on the sign, for example:

**7:00 AM to 9:00 AM
2:00 PM to 4:00 PM
School Days**

Please read the signs and check for road markings before stopping or turning and ensure that the area is only used as allowed by the signs.

This in turn makes the roads near our schools safer for all children to cross.

Road Safety – We all play a Part.
