

THE UNIFORM SHOP

Transition Into New Uniform

As you will know, Alinta has been working closely with Belgrave Heights Christian School to implement and transition into the new uniform. At the same time, the school has experienced increases in enrolments yearly since we formed our partnership. At the commencement of 2017, the transition into the new uniform concluded. In preparation for this we significantly increased our stock holding. For many items we ensured that we ordered in anticipation that sales would triple.

As predicted, the sales in the uniform shop had a spike in sales. Thankfully, we were prepared for this by and large, however there were a few sizes that ran out. In addition to this, due to a computer problem, there were some items that were available for collection without the family being notified. We are contacting those families directly now. For both of these items above we apologise unreservedly.

We have since ordered urgent top up stock that will arrive over the course of the next few weeks. The few remaining back orders will be filled shortly thereafter and those families waiting will be contacted directly.

We will continue to update you via the school newsletter as more information comes to hand. We would like to take this opportunity to thank the staff and families of Belgrave Heights Christian School for your ongoing support. If you have any concerns please do not hesitate to contact the shop or Alinta Head Office on (02) 4321 0433 or info@alinta.com

Kind Regards

Mark Pinchbeck
Managing Director
