## **CLASSICAL GREEK CLASSES – JUNIOR TO VCE**

An exciting initiative and one that the school is very proud of, is the introduction of Classical (Ancient) Greek classes at junior secondary and VCE level. The VCE Classical Greek program is accredited by the Victorian Curriculum and Assessment Authority (VCAA) and makes our language centre one of only a handful of educational providers that offer Classical Greek in Victoria.

Students will come into contact with the rich Ancient Greek language developing a greater appreciation of the development of the Modern Greek and will score extra points on their ATAR.

A 50 per cent discount of the yearly tuition fee applies for Oakleigh Grammar students.
