To help get your family into the swing of things, here are some tips that you might find handy for easing your children into before & after school care.

### **Tips for helping children (and parents) feel comfortable in Before and After school care:**

1. Give your child as much advance warning as you can that they'll be coming.
2. Pop in to the program with your child to meet our Camp Australia team and find out what kind of activities they can look forward to.
3. Speak with the Camp Australia Coordinator (Nicole) if your child is nervous, and let us know how your child felt after their first visit.
4. If there is something in particular your child would like to play when they are in our care, encourage them to let us know.

We're here to make before & after school care visits the best experience possible – for you and your child.

If you have any questions about the program – please feel free to drop by, meet the team and see what happens in after school care first hand.

We look forward to seeing you soon.

The Camp Australia Team.
