

KELLY CLUB AITKEN NEWSLETTER TERM 1

Hello everyone and welcome back to Term 1! We hope that everyone had a nice and relaxing break over the school holidays.

During the school holidays at Kelly Club, we were jam packed full of fun and games, sports, cooking, arts and craft, plus more! The children were kept very busy by getting involved with activities, making new friends and being creative through many different ways.

Some highlights of the holidays was going on our excursions to Living Legends, Hoyts cinema, the IMAX and Museum, Go Climb and Rabbit Hole. The children loved exploring, climbing, playing and learning. Some of our in house activities included a wheels day, where the children were able to bring in a bike or scooter, many Christmas activities, having a water fight, battling it out to see who could make the best pizza, learning netball, dancing away at our disco and going on a scavenger hunt.

This Term we are really looking forward to meeting the new prep children that did not attend over the holidays and welcoming back the ones who did! We have many fun themes and activities planned for the coming weeks and can't wait to get back into it!

Important Notices-

Kelly Club's numbers have increased after and before school care. If your child/ren are casual but attending regularly we recommend putting them in on a permanent basis, this is because if we reach maximum numbers for a session then casual bookings may not be accepted.

Please also ensure that you have created a booking with us via Xplor or through staff and please do not send your child/ren into our sessions without a booking.
