

1 June 2016

Mount Eliza Secondary College
Canadian Bay Rd
MOUNT ELIZA VIC 3930

To the students of Mount Eliza Secondary College,

Re / Village Artworks

On behalf of the Australian Olympic Committee, I would like to thank you for participating in the Olympic Village Art program. All of your artworks are in the running to win \$1000 thanks to Woolworths.

Thank you for taking the time to draw and colour such beautiful pieces of artwork.

This artwork will be used to decorate the apartments in Rio of the Australian Olympic Team. The athletes will feel right at home and well supported by your efforts.

Please find enclosed a set of the ASPIRE posters. The values of aspire are the values of our Olympic athletes, and part of being involved in the Olympics is thinking about those values as you go about your daily life, in this school, at home with your family and in the community beyond. I invite you to hang the posters in your classroom.

Finally, please visit our Education website, a website which will help you bring the Games into your classroom. Visit <http://education.olympics.com.au>

Yours sincerely,

Ashleigh Knight

Olympic Education Manager
