

A bird sitting on a tree is never afraid of the branch breaking, because her trust is not on the branch but on it's own wings. Always believe in yourself.

The Careers Centre, in the Monash Building, is a resource for our students with current institutional handbooks and brochures at their disposal. Students are invited to visit, browse and question. An open-door policy exists to ensure students make informed decisions about future pathways. Year 12 interviews continue to assist students with the momentous decisions facing them this year.

Parents/guardians are welcome to take advantage of the services provided. Appointments can be made to discuss the future pathways of their children. CAREER TOOLS: ONLINE RESOURCE... Wyndham Central College (wcccareers.com)

Year 10 and 11 students are also welcome to visit the Careers Centre to make an appointment.

NYSF STEM Hub, Melbourne

July 1 to July 4, 2024

The National Youth Science Forum (NYSF) STEM Hubs are designed to give students a broader understanding of the diverse study and career options available in science, technology, engineering and mathematics (STEM) and to encourage continued studies in these fields.

A STEM Hub is a non-residential STEM experience where you can connect with STEM pathways and careers around Australia. You'll join exclusive behind-the-scenes experiences typically inaccessible to the public and connect with STEM professionals—a crucial networking opportunity for your future.

Whether you're passionate about robotics, biomedicine, astronomy, biology, or anything in between, there's a STEM Hub waiting to show you what a STEM career is really like!

If you have completed Year 12 in 2023 or are currently a Year 12 student (or equivalent) in Australia with an interest in STEM, we welcome you to the NYSF STEM Hubs!

Registrations will close at 12pm on 19 June 2024.

NIE | Future Doctors Australia, Melbourne

September 27 to September 30, 2024

Gaining medical work experience is essential for young people considering a career in medicine. It provides insight into the field, helps develop skills and attributes, and provides networking opportunities. However, obtaining medical work experience can be challenging due to various restrictions such as limited opportunities, safety concerns, and confidentiality issues.

That's why NIE has developed the "Future Doctors Australia" program. It is an engaging and high-impact 4-day program that provides young people with a unique opportunity to gain medical work experience in a safe and structured environment. Participants will have the opportunity to spend time with current junior and senior medical students. They will also have the rare opportunity to spend time with more senior clinicians and various medical specialists. You will get to learn about clinical specialist's relevant fields of work, ask them questions, and learn some hands-on skills from them.

- Over 15 hours of face-to-face interaction with leading specialists and clinicians

- Meet current medical students
- Develop advanced communication and team working skills
- Create new friendships with like-minded, highly driven young individuals
- Learn about the admission process into various medical universities in Australia
- Morning tea and lunch included

2025 National Youth Science Forum Year 12 Program

January 6 to January 23, 2025

Are you in Year 11 in 2024? Apply now to join us in January!

The National Youth Science Forum (NYSF) Year 12 Program gives students that are about to start Year 12 a broader understanding of study and career options available in science, technology, engineering and mathematics (STEM).

Staying on campus at university colleges, students are immersed in science and technology.

Participants:

- participate in tours of science and technology facilities,
- learn about cutting-edge research,
- engage with industry partners and research providers,
- learn about university, training and STEM career pathways,
- mix with like-minded students their age from all over Australia,
- participate in social and team building activities, and
- network with former NYSF participants.

In January 2025, the NYSF Year 12 Program will run two summer sessions at:

- The Australian National University, Canberra (6 –14 January)
- The University of Queensland, Brisbane (15 – 23 January)

As part of the application process, any students experiencing financial hardship or another disadvantage that negatively impacts their ability to attend the program may apply for an NYSF Access and Equity Scholarship. Students are also encouraged to approach Rotary Clubs after they have started their program application if they need funding support to attend the NYSF Year 12 Program.

Applications close 15 July 2024.
