Never played netball before? No worries!

St Michaels and All Angels Netball Club (SMAA) is a family-based netball club located in Marleston SA. Our club is home to 300 junior and senior players, making us one of the largest player participated clubs in the western suburbs. Our club is associated with SAUCNA (South Australian United Church Netball Association).

We welcome new netball players and existing netball players to join our netball club for our 2020 winter netball season. If you are interested in playing for our netball club or would like more information, please visit our website www.smaanetballclub.com.au
