

Plenty Parklands Primary

1 November 2025

Dear parent/guardian

Plenty Parklands Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, Science, Art, Inquiry, eLearning, Indonesian, Music, Drama and PE.
- Maintain and develop the school grounds.
- Ensure the upkeep of our computer devices to enhance learning opportunities.
- Maintain sufficient class sets of books for students to develop their reading skills.
- Provide hands-on maths equipment i.e.: measuring materials for teaching purposes.
- Provide a First Aid attendant.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely
