WHAT'S BEEN HAPPENING

Dear families,

What a fantastic week we've had in Before and After School Care! The fun continues during the next Team Kids Goes Wild week, the children will be exploring wildlife through a range of creative and interactive activities. They'll be designing eye-catching posters, creating pieces for their very own art gallery, and putting their knowledge to the test in a Wildlife Trivia Challenge. We can't wait to see their creativity shine and hear all the interesting facts they discover along the way!

We also have an important reminder regarding our sign-in and sign-out procedures. **Beginning next week, parents and guardians will be required to:**

- Sign children in when attending Before Care
- Sign children out when collecting from After Care

This change is important for ensuring the safety and accurate attendance of all children in our care. We appreciate your cooperation and support as we implement this update.

Have a wonderful weekend!

Warm regards,

Eric
