

SUPPORTING OUR LGBTQ & NON BINARY YOUNG PEOPLE

For Parents, carers, family members
and allies of LGBTQ+ children or
young people.

6.30pm - 9.30pm

Northcote

Tuesday

26 March

Many children and young people identify
as gay, lesbian, bisexual, gender
questioning, gender diverse, non-binary
and transgender.

As parents and carers, we can sometimes
feel overwhelmed and under resourced to
support our children. at home, at school
and in the community.

This workshop will discuss sexuality, gender
and identity formation, provide
opportunities to ask questions, link to
support services and meet other families.
