Federation **New Courses introduced in 2020**

This year Federation University has introduced a number of *new* courses. These include –

- [Bachelor of Engineering \(Electrical and Information Engineering\) Honours](#)

This course is designed to meet the requirements of Engineers Australia and produce accredited professional engineers with in-depth knowledge and skills across the interdisciplinary domain of *electrical and information engineering*.

- [Bachelor of Occupational Therapy \(Honours\)](#)

This course focuses particularly on occupational therapy in *rural and remote settings* and being equipped to handle the unique challenges of these areas.

- [Bachelor of Human Services and Entrepreneurship](#)

Students in this course develop a broad suite of skills to become a social entrepreneur who can assist, advocate, and empower people and communities who are experiencing complex social and economic challenges.

- [Bachelor of Performing Arts](#)

This exciting *new* program replaces the highly regarded Bachelor of Music Theatre and Bachelor of Acting for Stage and Screen. This course will prepare students not only for a career as a performer, but also to become an active citizen of the world. Graduates will go on to work in television and theatre, music theatre, opera, film, cabaret, comedy, and multi-media performance. They will also go on to do creative things in the most surprising contexts both in Australia and internationally.

Bachelor of Accident Forensics at CQ University

The **Accident Forensics** degree at CQU (Melbourne Campus) *develops expertise in the investigation and analysis of the factors which lead to accidents and the interventions required to prevent their recurrence. Accident Forensics graduates demonstrate advanced skills at systematically breaking down the factors leading to an accident and making the necessary findings and conclusions for prevention.*

The course provides core studies in:

- Accident Phenomenology
- Investigation Methods
- Forensic Engineering
- Accident Analysis
- Human Factors Investigation
- Occupational Health and Safety

Students complete a capstone accident investigation project based on a 'real' accident reconstruction at the university 'crash lab'. There is a 120-hour work placement with practising accident investigators in the field ensuring students are well prepared to integrate into their chosen career. The course has been developed in consultation with Australia's leading accident investigation professionals from air, rail, road and industrial contexts, and the leading organisations and government authorities which inform public safety strategies.

Australian Government
Department of Employment

Industry Employment Summary

In February this year, the Department of Employment released the trend in employment indicating that employment increased in nine industries and declined in 10 over the year to **February 2020**.

Health Care and Social Assistance; Education and Training and Professional, Scientific and Technical Services made the largest contributions to employment growth. The largest falls in employment were recorded in Retail Trade, Other Services and Public Administration and Safety.

Employment in the **Agriculture, Forestry and Fishing** and **Manufacturing** industries is expected to continue to fall.

This summarised information has been sourced from [Industry Employment Insights](#). Another very interesting link to browse is the [Industry Employment Projections to May 2024](#).

Note: The Australian labour market is changing rapidly as the COVID-19 situation continues to develop, so regularly browsing the above-mentioned links is advised.

VU's [Bachelor of Outdoor Leadership](#) prepares graduates for rewarding work - with a focus on building practical skills and industry connections. VU's partnership with [The Outdoor Education Group \(OEG\)](#), gives paid internship opportunities for students, who work part time for the second and third year of their degrees as part of the internship stream. When students graduate, there is an exciting opportunity to apply for a two to three-year full-time contract with OEG.
