

# LA 6, 7 & 8 Homework Grid

Term 2, Weeks 9-10

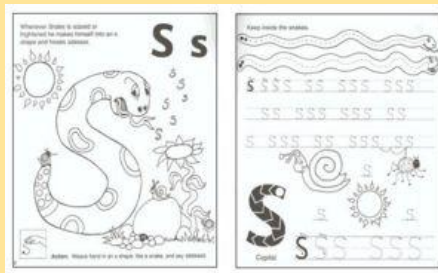

## Homework Grid

The Lockleys North Homework Grid. Lockleys North Primary School recognises that parents and the school community are partners in each child's education. Homework is an important part of the process in developing lifelong learning skills. Therefore homework at LNPS

1. is set by teachers mindful and supportive of the fact that students and their families lead busy lives. The homework tasks will recognise the learning taking place in the home
2. encourages students to pursue an active lifestyle, by valuing sports and other physical activities
3. develop students' study habits e.g. Time management, organisation, responsibility, persistence and independence
4. supports classroom learning
5. provides opportunities for students and families to interact in the learning process
6. encourages the use of resources available outside the school environment e.g. community members, local libraries and the media.

## Literacy

- \* Practice your Star Words
- \* Practice with your reader- *telling* the story by looking at the pictures and then by *reading* the words.
- \* Choose 5 of your Star Words. Tell your adult the beginning sound of each of the words.
- \* Segment and then blend together the chosen 5 star words.

Remember  
Your Jolly Phonics booklets will help you with saying the sounds in each word.

## Maths

- \* With a piece of string see if you can make these 2D shapes:

**Square**  
**Rectangle**  
**Circle**  
**Triangle**  
**Diamond**  
**Love Heart**

You may need someone to help you hold the corners of the string if the shape has a corner/s.

## HASS (Humanities and Social Sciences)

Last week, Taeh came into our class with Kimochis to talk about feelings.

- \* Explain to someone at home, when you feel:

**Happy**  
**Sad**  
**Excited**  
**Grumpy**  
**Nervous**

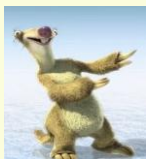

- \* Show them what your face looks like when you feel these feelings.

## PE

- \* Teach your parents some of the new steps to "Sid's Shuffle".

**I wonder** if you can remember some of the words to sing along to?

If you get stuck:

<http://www.youtube.com/watch?v=uMuJxd2Gpxo&feature=kp>

## Science

- \* Cut and organise the 'very hungry caterpillar' story cards into order.

- \* 'Tell' someone at home how a caterpillar turns into a butterfly using the story cards.
