Around the Grounds

6A

The 6A boys were keen to continue their winning ways, hoping to get 3 in a row with a win on the weekend. In typical fashion we were a bit slow to start off, allowing uncontested marks that led to easy goals for the strong SLC opposition. However the boys went into the second half with a much better intent and we clawed our way back into it, winning by 1 point in a nail biter

6B

6C

It was a great display of 4 quarters of footy today. We dominated from the first bounce and applied pressure through the final siren. It was a whole team effort today, but everyone was a stand out.

6D

The 6Ds got off to a red hot start kicking 5 goals in the first quarter with Archie Bowles taking a couple of great chances. We kept the pressure up in the second quarter kicking another 3 majors. The game slowed up in the second half with the opposition committing some extra numbers to the middle which made it difficult to get the ball out of the ruck. This is something we will work on in training this coming week.

5A

A terrific 4 quarter performance by the Marist boys! We are improving every week and our team work was sensational today. Our ball movement and tackling pressure were a stand out today. Well done boys!

5B

A hard fought win today for the boys with a lot of ground ball contests but an awesome job to come out on top. The boys have come a long way with the game showing improvement in all field, congratulations 5B boys.

5C

Both teams had a slow start, struggling to find their rhythm however Marist turned things around in the final quarter, displaying great determination and skill scoring two goals to secure the win.

5D

Tough loss for 5D this week against Padua. There was an intensity to the tackling in today's game which certainly challenged the boys to keep pushing hard and fight for the ball! Despite the disheartening score, we persisted throughout and overall played very well.
