STUDENT REPRESENTATIVE COUNCIL

NOMINATION FORM

Dear Parent/ Guardian,

Your child has indicated that they wish to be a member of the College Student Representative Council. I am impressed with their courage in putting their name forward and taking on the commitment involved in such a nomination.

If successful, your child will have opportunities to work with like-minded students, improve their planning and organisational skills, and develop problem-solving skills and positive attitudes.

Students participating in the SRC need to be well organised and prepared to have input into the school's running and be a 'Voice' for the students. But, more importantly, they will also need your support.

Being a member of the SRC is a 12 month commitment with the expectation of regular attendance at our fortnightly Tuesday meetings. Members are also required to engage in some SRC work in their own time.

If you have any questions, please do not hesitate to ring me at the College.

Yours sincerely

Ms Karen Gonsalves

…….

I have read and understand the commitment my child is undertaking.
