UAC Webinar - Unlocking opportunities: Pathways to Uni

13 November

This webinar charts the many pathways to a university degree. Explore pathway courses such as foundation programs, diplomas and certificates, and the potential to fast-track into the second year of a degree. Learn about the credits and articulation agreements that make these options a seamless bridge to higher education. Whether you're exploring different interests, or you've faced setbacks in meeting degree entry requirements, this session offers guidance and practical advice on paving your way to success.

UNSW Portfolio Entry Scheme - Round 2 Applications

Closes 18 November

Here at UNSW, we want to reward your passion, creativity and potential to succeed in your degree area. The UNSW Portfolio Entry Scheme offers early conditional offers, giving you the opportunity to demonstrate your passion and talent alongside your ATAR. Successful applicants will receive an early conditional offer with an adjusted ATAR entry requirement up to 10 ATAR points below the lowest selection rank for a specific degree or range of related degrees.

<https://www.unsw.edu.au/study/how-to-apply/undergraduate/admission-pathways/portfolio-entry>

UNSW Arts, Design & Architecture Portfolio Entry Workshop

12 November - Online

13 November - Paddington Campus

You're so much more than an ATAR.

With UNSW Portfolio Entry Early Conditional Offer Scheme, your pathway into Uni is unique - just like you.

Here at UNSW, we want to reward your passion, creativity and potential to succeed in your degree area. The scheme provides early conditional offers with an adjusted ATAR entry requirement that is up to 10 points lower than the usual selection rank for a particular degree. This allows you to showcase your passion and talent in addition to your ATAR score. Join us to hear from UNSW staff and academics about submitting an outstanding portfolio for a range of degrees across the Faculty of Arts, Design & Architecture for 2025. In these interactive sessions we will provide tips and examples on what you need to submit and how to apply. There will also be an opportunity to get all your questions answered. This info session is for students (and parents/guardians) who are completing their HSC in 2024 and are considering their options for university next year. For the Online Session, visit: <https://www.events.unsw.edu.au/event/unsw-portfolio-entry-info-evening>

<https://www.events.unsw.edu.au/event/unsw-arts-design-architecture-portfolio-entry-workshop-0>

UNSW TAFE Pathways Information Evening

14 November

Want to know how much credit you can receive for your TAFE studies in a relevant degree at UNSW?

Join us at the UNSW TAFE Pathways Information Session at 5pm, Thursday 14th November and learn about your pathway options from TAFE to UNSW! As part of our TAFE Pathways Program, you could receive credit for your Diploma or Advanced Diploma and finish your degree in a shorter amount of time.

Registry now for SciX@UNSW

20-24 January

Registration Now Open

Suitable for all senior high school science students, the SciX program is designed to support students to conduct their own scientific research. The program's one-week intensive summer school. Join one of our

research groups and conduct an independent research project, ideal for HSC Extension Science, IB independent projects, or as a taste of a career in research science. The projects are overseen by our academic research staff and are delivered primarily by our graduate research students. They will introduce you to cutting-edge research tools and methodologies and guide you as you extend your scientific skills.

Volvo Apprenticeship Program

The Volvo Apprenticeship Program is designed to train and develop apprentices to keep pace with advancing technology and high levels of customer service. It spans four years, with three years as block release at the Volvo Training Centre, and consists of a variety of workplace and off-the-job training. Your career will be given full support to help you successfully complete the Program. Few businesses can offer their employees such diversity, challenges, excellent training and career development prospects. Every apprentice is encouraged to demonstrate initiative and contribute his or her own ideas for improving customer service and developing the business. But this approach requires a special type of person. You must have the ambition to contribute and succeed in a fast-paced, results oriented environment and strive to be the best in everything you do.

Assistants in Nursing - Their Important and Growing Role

Anyone who relishes the idea of caring for people as a living may decide that a career in the medical world is a good choice. However, not everyone is suited to becoming a medical professional such as a doctor, nurse or physiotherapist. For people who want to help, without having one of these roles, there is the option of becoming an assistant. For instance, there are Allied Health Courses which people can take in order to qualify for a role in assistance. Allied health assistants provide assistance to health practitioners including physiotherapists, occupational therapists, podiatrists, speech pathologists and dietitians. Another option is to become an assistant in nursing.

<https://www.myhealthcareer.com.au/career-and-university/the-important-and-growing-role-of-assistants-in-nursing/>

Things to Consider Before Getting Started in a Physio Career

Physiotherapy is a great career choice if you're interested in helping people recover from injury or illness. But before you decide to become a physiotherapist, you should consider a few things. Sure, physiotherapy sounds cool but is it the right career for you? Here, we will provide more information on the job outlook for physiotherapists, the educational requirements for this profession, and what kind of salary you can expect to earn. We'll also discuss some of the benefits of working as a physiotherapist so before you take the plunge, here are a few things to consider.

<https://www.myhealthcareer.com.au/physiotherapy/things-to-consider-before-getting-started-in-a-physio-career/>
