

Classroom Moments

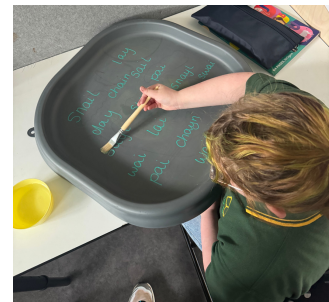

Term 3 has been a busy term, full of lots of fun and exciting learning experiences and activities, including World Book Day, swimming, sensory play and cooking.

In English, we have been reading lots of different fairy tales and their non-traditional retellings, including *Interstellar Cinderella* and *The True Story of the Three Little Pigs*. We have enjoyed discussing the stories and sharing what we liked and didn't like about each one.

In Maths, we have been learning how to partition numbers into equal and unequal groups. We have had lots of fun using hands-on manipulatives to help us explore and understand this concept. We have also been learning how to collect data and create graphs. We particularly enjoyed asking people about their favourite sweets and using the results to create our own graphs.

Most importantly, we have had lots of fun playing with our friends, building positive relationships and modelling our school value of being kind.

Teacher's Note

Ellie, Alicia and Vysh
