Uniform Policy

Clayfield College is proud of its uniform. The uniform instils a sense of personal pride in the student cohort and is a strong representation of the College and its unity. Each student is a representative of Clayfield College when they are in uniform and they are expected to wear the uniform as per outlined in the Uniform Policy.

Uniform standards must be maintained. The College expects parents and carers to support the school by ensuring that the uniform is worn with pride and respect at all times.

Students who do not comply with the Uniform Policy will be spoken to by the Pastoral Care Team and, if necessary, parents and carers will be advised of the need for the uniform to be corrected.

Students may be issued with an infringement notice for not wearing the uniform correctly.

The College appreciates the support of parents and carers in upholding our Uniform Policy, and to ensuring our students maintain the highest standards of appearance.

All uniforms must be clearly named.

Inclusivity

Students have the right to dress in a manner consistent with their gender identity and expression.

Gender diverse students are therefore able to consult with our Director of Junior School and Director of Senior School about their uniform requirements based on their individual needs and circumstances.

Which Uniform on which day?

The Formal Winter uniform must always be worn for special events such as Speech Night and other events as notified by the Principal, Dr Andrew Cousins.

Early Years:

Pre-Prep

Pre-Prep students wear their polo shirt and shorts each day.

Junior Years:

Prep to Year 6

School uniform or HPE uniform to be worn on child's nominated HPE days.

Senior Years:

Students are not permitted to travel outside of the College in their HPE uniform unless special permission is given.

Student Appearance

Hair must be tidy and in a conservative style, appropriate for the uniform. Long hair must be tied up if touching the collar and fastened back away from the face. College ribbons and green clips or scrunchies are acceptable for girls, elastic for boys.

Make-up, including false eyelashes, mascara and tanning products, must not be worn. Nail polish and acrylic nails are not acceptable. Chewing gum is not permitted.

The only articles of jewellery that are permitted to be worn with the College uniform are earrings for pierced ears, and watches. Exceptions are permitted for cultural pieces of jewellery; however, these must not be visible. Only matching plain small studs or sleepers, gold, silver or pearl, may be worn - one in each ear lobe in the lower hole. Studs or sleepers with stones or with twisting or thickening are not acceptable. Tongue studs and visible body piercing are not allowed. Body decoration of any kind is not allowed.
