

MARIST COLLEGE TRANSITION DAY: Tuesday 5 May 2026

Dear Parent/Guardians of Year 6 Students,

As families begin the exciting and important process of discerning your child's secondary school for the next stage of their learning journey, we warmly invite your child to attend our Marist College Year 7 Transition Day on **Tuesday 5 May from 9.30am to 2.30pm**. Thank you to those who have already registered.

Providing young people with the opportunity to experience a school firsthand is an important part of this discernment. Our Year 7 Transition Day offers students the chance to engage in a range of authentic learning activities that reflect the Year 7 curriculum within our Montagne Learning Experience. Throughout the day, students will explore our facilities, meet our educators, and importantly, begin to form new connections and friendships with peers who may be part of their future learning community. A BBQ lunch will be provided, and there is opportunity to note dietary requirements via the registration link below.

There are also further opportunities for families to view the College:

EXPLORE MARIST – Tuesday 22 April 4:00 – 6:00pm (no booking required)

Explore Marist provides a wonderful opportunity for families to visit the College and view each Learning Experience Foundation – Year 12. Our educators will be available to answer any questions you may have and there will be student guides available to assist your tour.

PRINCIPAL LEARNING WALKS – variety of dates across Term One and Two (booking essential)

Learning Walks offer a valuable opportunity to see learning in action within our Montagne (Year 7) and La Valla (Foundation) Learning Experiences. Guided by the Principal or a Deputy Principal, alongside Heads of Learning Experience, these walks provide deeper insight into our approach to teaching and learning and can greatly support families in their decision making. Bookings can be made via our website or through the link below:
