

KELLY CLUB AITKEN NEWSLETTER TERM 3

The last few weeks of term, the children participated in a Father's Day themed week, Spring and kids pick. During our Father's Day week, the children made lovely gifts for their dad's or loved one. These included decorating coasters, making cards and Oreo truffles, making awards and creating their dads out of paper and cardboard rolls. The children put in a lot of effort to ensure their gifts would be loved.

During our week of Spring, the children did a rainbow experiment, made some flowers, pinwheels and baby birds. The most popular activity for the week though was making edible bugs. The children used a variety of different fruits, vegetables, pretzels and edible eyes to create their bugs. The children had fantastic imaginations and created some awesome looking bugs to eat!

As we come to an end to another successful term, we ended things off by having a "Kids Pick" week. The children can pick the activities for the last week of Term 3.

We look forward to the coming weeks to start our holiday program. If you would like your child/ren to attend any days during the school holidays, please get in contact with us.

Reminder:

If your child is attending on a regular basis, please ensure you are making permanent bookings. If our numbers are at capacity for the day your request may be declined.

We are now also taking bookings for the upcoming holiday program.
