Parent Payments 2022

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary.

Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support allows us to offer a wider range of subjects, special curriculum experiences and enhanced digital learning opportunities.

Rochester Secondary College has also established a building fund which is fully tax deductible for families and can only be used for the upkeep/refurbishment of school buildings.

For more information please see our 'Parent Payment Policy' on the school website at www.rochsec.vic.edu.au.

If you would like to pay a voluntary parent payment for a curriculum contribution or to the building fund please fill out the form below and return it to the school.
