connect. reflect. protect.

Our school is proud to support Safer Internet Day 2023 – a global initiative that brings together communities, families, schools and organisations from more than 200 countries to help create safer online spaces.

To celebrate Safer Internet Day 2023 our school is:

- taking part in **eSafety's Virtual Classroom webinar** (Years 3-6)
- planning a whole-school approach to online safety using the **Toolkit for Schools** and **The Best Practice Framework** for Online Safety Education
- making time for staff to participate in **eSafety's Teacher Professional Learning**
- promoting **eSafety parent and carer webinars** within our school community each term.
