

# Geelong Youth – Digital School Holiday Activities

## DIY Paper beads wall hanging

Tuesday 22 September

2.00-4.00pm

Paper beads are a fantastic way to recycle old magazines and paper and make unique beads that can be used in a range of craft projects. In this workshop you will learn the craft of paper bead making, how to make tassels from wool and create your own boho inspired wall hanging.

## Design your own poster

Thursday 24 September

2.00-4.00pm

Poster design can seem like a difficult and complex process of using graphic design software and hours of patience's but there are a couple easy ways to make a poster. In this workshop you will get to learn two ways to make a poster, a simple digital design using Word and an old school handmade poster using the cut and paste technique.
