COLLEGE MILDURA

12 July 2022

Dear St Joseph's College families

2022 Flinders University uniTEST

Students considering an application to study at Flinders University in the future are encouraged to sit the 2022 Flinders uniTEST to enhance their possibility of gaining entry into prospective courses at Flinders University. The uniTEST is scheduled to be held at the college on Wednesday August 31 in Q5 commencing from 2.00pm until 5.00pm. Please see below for further details.

Selection Process

Flinders University selection process is centered around the students Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40% weighting toward uniTEST results). Flinders will also consider applicants based solely on their uniTEST results as a standalone entry score (subject to SACE or interstate equivalent completion and any course pre-requisites or specific admissions requirements). Students cannot be disadvantaged by sitting the uniTEST.

Students cannot be disadvantaged by sitting the uniTEST. The strongest score a student achieves, is what will be considered throughout the selection process at Flinders University. Please note, all students will be expected to remain in the test room for the full 3 hours and are not permitted to leave the test room until instructed to do so.
