Note: These points refer to the total correct answers scored by each student – they do no for each year section of the competition. They do not reflect the actual House premiership points which come from a system where 1st = 10 pts, 2nd – 8 pts – 3rd – 6 points down to 1 point for a score of below 10. (See final Premiership Tables)

584 students in total competed in this year's House academic Championship (many for all 5 sections)
