

Strong community Stronger businesses

St Mary's Catholic Primary School, Ascot Vale is proud to present our annual Networking Lunch, a cornerstone event designed to foster connections, celebrate community, and create mutual benefit.

Now in it's third year, our theme "Strong community - Stronger businesses" aims to include more members of our valued community as we present an all-female panel of guest speakers, successful in both business and sport.

All tickets include a 3-course meal and premium drinks package.

Single tickets \$220 each,
2+ tickets \$200 per person.

For more details or ticketing options please contact:
