Back in lockdown has given me time to do another newsletter for you. (So sorry I have missed the past couple of months). When you are able to come into the OSHC room again you may see some changes with displays. Please take a bit of time to see them. One of the changes is I have put clear tubes near the kitchen some as decorations but the middle 2-4 will be our voting tubes. So when there is a decision to be made like a favourite afternoon tea, a holiday program theme, etc. I'm allowing the children to vote.

Our first votes have been the names of our rooms and 'restaurant'. I happy to report that our 'dining room' will be known as **Blossom Tree room**, the 'restaurant' is when we do special afternoon teas, we aim for 2 per term, it will now be called **OSHurant**. And the carpeted room is known as **Birdcage**.

Staff news: More movement in the staffing team. Emma's University work load was becoming to much so sadly felt it was time to say good bye to OSHC. We're very happy for her but also miss having her around OSHC. Like a relay team when one goes another is always provided by God. So, I'm happy to say that another past student is in the process of joining the team. I'll let you know when it's official.

Steph says

Hey parents and OSHC kids!

My name is Steph and I am one of the OSHC assistants at SACC! I am currently studying a Bachelor of Primary Education at Monash University and am in my final year! I have been working at OSHC since November 2020... so for about 9 months now! Working at OSHC has been so much fun and I am really enjoying getting to know the students, parents and other staff members! When I am not at OSHC, I really enjoy baking, going out for a good brunch, crafting, and playing netball!

I love working at OSHC because it gives me so many opportunities to get to know different students and develop my skills that will help my future teaching! I really enjoy getting to know all the kids and their different and unique personalities! I always have loads of fun with the kids at OSHC - whether we are making craft creations, playing outdoors or even playing board games or card games (I must say that my chess knowledge and card game repertoire have increased since working at OSHC). I am always so fascinated and impressed by the kids' creativity and imagination!

A highlight of OSHC this year was the Term 2 holiday program! We had so much fun with the kids! We made slime, painted mini houses, made nerf war targets and even took an excursion to the Big Slide and the movies! It has been great getting to know all the OSHC kids and parents and I look forward to the rest of the year ahead at OSHC!

CHILDREN BIRTHDAY'S

Here at OSHC, we celebrate children's birthdays by allowing them to choose a bird to add to the tree in the room. Have a look at our growing collection when you come to collect.

They can also choose a little gift from the birthday box. Then

OSHC staff pray for their coming year.

I praise You because I am
fearfully and wonderfully
made; Your works are
wonderful, I know that full well.

Psalm 139:14

A FAVOURITE BIBLE VERSE

**Serve the Lord with gladness; come before
Him with joyful singing.**
