

# Careers in Ag

## Year 9

Monday, September 3<sup>rd</sup>, 2018  
RIST Mt Napier Road Hamilton  
9.00am – 3.00pm

The format for the 2018 Careers in Ag day will be the similar to 2017, with a slightly reviewed Itinerary to enable adequate time for session to be delivered comprehensively.

The day will consist of groups of 10 students participating in 5 small group sessions (at 45 minutes each with 5 minutes changeover time) as well as all students being involved in a whole group presentation to finish the day. Please see attached itinerary for the day.

There is a change in the system for session selection for this year, by way of just advising the total number of students/staff attending, not names. Students will then be required to make their selection for their group sessions on the day as they arrive, therefore it will be important to arrive on time to gain the desired sessions.

Schools are reminded to have **student numbers to [janelle@gsglllen.org.au](mailto:janelle@gsglllen.org.au) by Friday, 17<sup>th</sup> August**, to allow arrangements for catering and Group Deliverers.

### Other detail:

1. Please note that a teacher is requested to be with the students from each of their schools and will be allocated to assist groups.
2. Please ensure that students who register are committed to attendance on the day as numbers are limited.
3. Morning Tea and spit Roast lunch will be provided. Students may wish to bring a water bottle.
4. Punctuality is a **MUST**, to ensure that the day commences on time, as any late attendees hold up all groups and change the itinerary, and to enable a punctual finish time. The desired selection for groups will be on a “first in” basis, therefore punctuality will help gain the desired sessions.
5. Due to the RSVP system schools will need to create a permission form for the excursion, and please include the consent for photographs, which is normally included on the forms which are returned with group selections?

If you have any queries on the above, please feel free to contact me on the below number.
