Around the Grounds

6As Rugby League

A game won on very good defence. Iona could not go through us and managed to go around us on only two occasions. Ollie Hocking moved up from the B team to take Will Bardon's place who was on Union representative duties on the Gold Coast. Ollie was outstanding in the middle making many post-contact meters. Ollie received the 3 points for MOTM with Hugh Southwood taking the 2 points for an outstanding defensive effort with 28 tackles. Lachy Mitchell took the one point for two tries and excellent control of the attacking plan.

This was a great first game of the AIC competition with elements of the plan evident already in attack and our "fast Five" line speed in defense was certainly on show. We put great pressure on their attack and forced many errors. Our left and right edges were lead well by the halves Lachy and Madden.

Onward and upward!!!
