

Boorowa Central School – **Snack Central**

Term 1 is going well at Snack Central, with many students enjoying buying at recess and lunch times. Thank you all for the ongoing support!

Important things to note:

- We are unable to warm-up leftovers for students in the canteen, as this is against food safety regulations
- We are unable to fill noodle cups with hot water for students, also due to safety regulations.

Lunch orders are such a fun part of school. Here is a 'How To' for ordering those yummy lunches! The current Snack Central menu is included in this newsletter. To make it easy for the canteen helpers to fill your orders, we have examples below of what to do, and what not to do.

CORRECT ORDER EXAMPLE:

Correct Order:

- Write on the bottom half of the bag
- Write as a list – one line for each piece of info
- Place money *inside* the bag
- Use a small snack bag placed inside the paper bag if you are worried about coins falling out

Name: Joe Bloggs Year 1/2

1 x Nuggets \$3

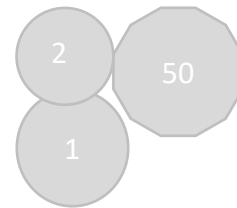

1 x Chocolate Milk \$2

Money enclosed (or)

Money enclosed in Jane Bloggs order

INCORRECT ORDER EXAMPLE:

Joe Bloggs Year ½ I would like nuggets and a chocolate milk and a straw and sauce please.

Incorrect Order:

- Written at the top of the bag
- Written as a sentence
- Money taped to outside of bag or
- Bag taped closed to keep money safe
- Written on an envelope without a bag

Helpful Tip: brown paper bags work fine for lunch orders and can be purchased inexpensively in packs of 50 from IGA, enough to last the whole year.

Many Thanks
Sam Pye (Canteen Manager)
