ICAS SCHOOL COMPETITIONS FOR YEARS 3-6

Dear parents and carers,

As previously communicated, Leumeah Public School will be participating in the world-renowned ICAS competitions this year.

What is ICAS?

ICAS is an online academic competition that is designed to assess Year 3-6 students' higher order thinking and problem-solving skills in English, Mathematics, Science and Writing. Each assessment celebrates students' accomplishments by providing opportunities for recognition and development. Every student who participates will receive a printed certificate and an online results report. Top performers will be eligible for medals. We encourage you to consider entering your child into ICAS this year.
