Dear Parent/s,

At the beginning of the Foundation year all children complete a Literacy Assessment called an 'Observation Survey'. This assessment is an individual assessment which takes approximately 1 hour to complete. I was hoping to conduct these assessments over 4 Wednesday's (the Foundation rest day).

If you could look at the table below and fill in a timeslot that would suit you to bring your child in for their assessment that would be great. If possible, could you please nominate 3 times that suit and I will confirm with you your allocated timeslot after I have received all the responses.

If it is not possible for you to bring your child into school on one of these Wednesday's due to other commitments that's not a problem there will be some time allocated to complete these assessments in school before the end of the term.
