

Vodafone and Optus are proposing to install a new rooftop mobile phone base station at:

123 Gordon Street, FOOTSCRAY VIC 3031

RFNSA Site Number: 3011036

In summary, this new rooftop mobile facility will comprise:

- Six (6) TPG/Vodafone panel antennas (each less than 2.8m in length) and nine (9) Optus panel antennas (each less than 2.8m in length), all located on new mounts on the northern, southern and eastern edges of the roof;
- One 5-bay equipment cabinet installed on the roof (to the east of the rooftop plant room);
- Ancillary works and equipment necessary for the installation, operation and maintenance of the facility
