## Basketball – Around the Grounds

### 6A

The 6As finished the season strong against Iona, off to a slow start the boys picked it up in the 2nd half to blow the game out by 20 points! We definitely got into our offensive rhythm and started to play for each other, creating opportunities for everyone. Very strong finish. It was a pleasure to coach these fine group of young boys.

### 6B

On a rainy afternoon the boys had no warm-up and had to get straight into the game. From the tip-off the boys knew that they were going to need to fight hard for their undefeated season. The boys were impressive in this win. It was great to see the smiles on the boys faces as they were having fun out there and working together as a team. Great way to cap off a short but worthwhile season.

### 6C

What an exciting game! The boys were trailing by 4 points for most of the game, and in the last 5 minutes the boys scored 3 quick 2-pointers to get us in front. A thrilling match which ended in the boys winning 18-16.

### 6D

Good defence from Iona made this a low scoring and tough final game for the boys. The bulk of our points were scored in the first half with Iona clawing their way back into the game and scoring the majority of their points in the second half however the boys dug in when needed and came away with a two-point victory. Adrian Garbellini was very reliable and Josh Bellett hit a sensational three pointer. Which secured a gritty 11-9 win. All boys are to be commended on their sportsmanship and behaviour towards each other as well as the other teams throughout this short season. They have been a pleasure to coach.

---

### 5A

The 5As came up against a very strong Iona team. It was a tough way to end the season, but the boys fought they hard to throughout the game and never gave up. It was a pleasure to coach the boys, many of whom were playing competitive basketball for the first time. We hope that all the boys commit to developing their skills and come back bigger and better, best of luck for next year.

### 5B

What great way to finish the season! Trailing early, the boys combined their season training and had an outstanding victory. The final game was a showcase of how the team has developed together as a team over the past 5 weeks. Well done to all the boys!

### 5C

In the final match of the season, the boys were keen to finish with a win; however, credit must go to the Iona boys for their strong showing against the Ashgrove team, with Iona taking out the match 17-10. The Ashgrove boys enjoyed their first taste of Marist basketball, coming away from the season with two wins and two losses. The boys should be proud of the improvements made throughout the season, with more accurate passing, dribbling, and teamwork on show over the last couple of weeks. Well done 5Cs!

### 5D

An excellent team performance to finish off the basketball season. The boys showed great team work to get Vince Button and Declan Blundell their first points of the season.
