

Northshore Tennis Centre

257A MacArthur Drive
Hamilton, QLD, 4007

Current COVID-19 Safety and Hygiene Processes in Place at The Northshore Tennis Centre.

Each TennisGear venue is abiding by the restrictions handed down by both the federal and the state governments. We are compliant across the board and constantly review procedures to be sure of this. We are working closely with local councils and the police. The information below relates to practices and procedures that are currently in place across our venues, in particular the Emerson Tennis Centre

Recourses being used to monitor and ensure all recommendations are being followed:

Current Practices in Place

We have effectively managed the COVID restrictions during this time continuing with private lesson coaching and court hire at our centres. We will continue to enforce the required social distancing measures and work closely with our team of coaches to ensure best practice. Please see further information on the measures we will continue to implement below.

We have taken on ways to make tennis courts safe and accessible to more people and we will continue to do this as we return to court. Our fight against Covid-19 includes:

- a) **All TennisGear Staff members and Coaches have completed the Australian Government Department of Health COVID-19 Training Qualification**
- b) Enforcing strict social distancing measures
- c) Supplying hand washing areas, disinfectant and hand sanitiser
- d) Regular cleaning of equipment and facilities
- e) Using online payments and EFTPOS for transactions
- f) Clear signage and posters
- g) Strict supervision of customers

Northshore Tennis Centre – Specific Notes:

- Parents are encouraged to drop and go
- Sanitizer stations are available
- Players are encouraged to place towels down on any seating areas
- Players are to strictly follow the entry / exit plan for each court, and traffic flow plan as per the map below
- Adults must sign in with the provided registration forms
