

# Your Outside School Hours Care

*At every Camp Australia service, we provide an engaging and supportive space for children to play, connect, learn and grow.*

# What is OSHC?

OSHC stands for Outside School Hours Care. An OSHC service provides education and care for primary school-age children (generally aged 5 to 12 years) outside school hours and during school holidays. Depending on your school, it can cover Before School Care, After School Care and Vacation Care.

# Why would OSHC suit your family?

At Camp Australia, our vision is 'To support families in achieving their dreams' and to do that we take a unique approach to OSHC based on over 30 years of experience.

## Enriching experiences that children love

Our experienced educators involve your child in designing the experiences that make up our OSHC program. Our industry leading approach to program development ensures that your child is at the heart of what we do each day.

## A place for friendships to form

As life moves faster and play dates are harder to arrange, our OSHC service is a great place for your child to meet new friends and bond over shared interests.

We design programs that bring children together so they can connect and grow outside school hours.

## Child Care Subsidy available

Eligible families can reduce the cost of care with a Government subsidy. This amount depends on your family circumstances. For more information simply log into [my.gov.au](http://my.gov.au) and complete your Child Care Subsidy Assessment.

## Easy, hassle-free care

Our service is available to all families, no matter the need. Our extended hours offer peace of mind so you can manage work, health, study and more stress-free. Plus, our industry leading Parent Portal gives you unrivalled access to make and manage your bookings.

## Our industry leading approach: Your OSHC

Your OSHC service is also an integrated part of your school community. We tailor our program to your school's vision and values and also to your children's interests and needs. Our team of qualified educators works closely with you and your school's teachers to deliver a seamless transition to and from the classroom environment.

Whether your child has social, cultural, language-based, religious or individual needs, we work with the whole community to see how we can best support their unique needs.

# Tailored programs for all: How we do it

As the most experienced OSHC provider, we have become experts in delivering extra-curricular learning outcomes for children. Enrichment, sport and activities are part of our unique programming approach which is customised for your children.

All experiences are carefully designed to deliver on specific learning outcomes, that align with the My Time, Our Place Framework for School Age Care in Australia. This approach means that programs are tailored to the individual needs and interests of each child who attend. No two days in OSHC are the same.

One day, the children could be creating their own magnifying glass and binoculars as part of a science enquiry, or aligned to National Recycling Week they could be making their own compost bins from recyclable materials, learning all about sustainability and how they can protect the planet.

The next day, children could be cooking dishes from around the world learning about nutrition and culture, or setting up a story group to share interesting things about themselves while gaining insights into their own identity.

To us, OSHC is a deliberate environment to help children grow.

# Meals that nourish

We know good food is a necessity for growing minds and bodies, so our programs always include nourishment.

Our healthy eating philosophy operates at every service, every day. We focus on fresh produce and use at least 75% of the weekly food budget for seasonal fresh fruits and vegetables.

Outside of that your child's needs and interests determine our ingredients, whether they're dietary, cultural or religious needs. We just ask that you let us know when you register.

Our **Before School Care** programs offer a selection of:

- Porridge and muffins (Depending on service facilities)
- Healthy cereal, oats and milk
- Seasonal fresh fruits
- Wholemeal toast with a variety of toppings such as baked beans, spaghetti, honey or vegemite

At **After School Care**, our meal plans change all the time. But to give you a taste:

- Seasonal fruit and vegetable platters (75% of budget)
- Homemade hummus and rice crackers
- Salad sandwiches on wholemeal bread
- Popcorn
- Homemade banana bread

All weekly menus meet the Australian Dietary Guidelines. We've even developed our own cookbook so we can cater for the range

of different cooking facilities available at different services. Our cookbook contains around 80 delicious and easy to prepare savoury, sweet and no-bake recipes from around the world for our staff to deliver a variety of menu where the school facilities allow.

And even though there is a theme for that week, our team of educators engage with each child during the planning stage to ensure the program still meets everyone's interests.

◀ Here is an example of what National Recycling Week in OSHC can look like.

While each day is different and offers a varied range of fun and engaging activities, we believe that there are three ingredients for a great program:

1. Creating a welcoming space for the children. We make sure that our OSHC rooms are tidy and organised with an atmosphere that encourages children to learn and have fun.
2. Conducting an engaging program where every child can learn new things and foster new friendships.
3. Having a great team of qualified educators who are part of the school community.

To find out more, speak to the Coordinator at your service who will be happy to take you through the detailed program for the service and answer any questions you may have. You can also visit [www.campastralia.com.au](http://www.campastralia.com.au) and search for your school's service page for more information about the fees and times at your service.

The fun of OSHC doesn't stop at the end of term – we have holiday programs across the country.

With carefully designed programs that cater for primary school children of all ages, your children will be asking to come back for more! Some of the activities we have planned include games, arts & crafts, sport, excursions, cooking, coding and more.

**To attend any of our Holiday Clubs your child doesn't need to be a student at the school where we operate, just visit our website to find a program near you.**

## Registration is **FREE!**

- Your family's annual adjusted taxable income
- An activity test
- The type of childcare service

To find out if you are eligible, simply log into MyGov and complete your Child Care Subsidy Assessment.
