

## Rebuild or relocate: cast vote for future of Yarraville Library

The Yarraville population is expected to increase by 34 per cent by 2051, and the challenge is how the local library will continue to meet the needs of a growing community and nearby suburbs, including Seddon and Kingsville.

Following engagement in 2023, there are two options for community to consider: demolish and rebuild the library at the current site, or relocate to a new site as part of the Bradmill redevelopment on Francis Street.

We are keen to understand your preferred option and your reasons for this.
