The damage caused by workplace bullying and associated costs can be prevented. BULLY ZERO™, with the support of WorkSafe Victoria, has developed a comprehensive workplace bullying prevention program to prepare young people for the workforce.

TOPICS COVERED INCLUDE

- Bullying, performance management and reasonable action
- Impact on workers and employees
- Why bullying occurs and why it is not commonly reported
- Cyber bullying and the impact of social media

Our programs are delivered across Australia by qualified facilitators and are endorsed by WorkSafe Victoria.

All sessions are tailored to suit content and time.
