Around the Grounds

6A

The boys did a wonderful job of running quick singles on a very slow outfield. Unfortunately, quick wickets in the second half of our innings saw the team bowled out for 88. The spirits remained high in the field and the team fought to the end. It is great to see the boys enjoying playing together as a team despite Iona reaching the target in 14 overs.

6B

Coming off the back of a win the 6Bs were keen and ready to play Iona out at Wynnum early Saturday morning. Winning the toss and electing to bowl saw Marist keep Iona to a respectable 5/111. Marist went out to bat with confidence managed to chase down the total with 5 overs to spare going on to score 6/159 after 25 overs. A great performance all round for the 6Bs.

6C

The game started with a strong batting performance from Iona accompanied with some stand out performances from Tom Clune 2/14 and Rafferty Brown 1/3 with the ball. The fielding was solid with some real improvements being noticed. Iona put up a score of 6/115 which is a tough total to run down. With an early runout, some hesitation started to creep in with the boys missing a number of quick singles which

ultimately saw Marist at a disadvantage and ruing the missed opportunities. Some notable batting from Carter Gibson, 10 runs, held the top order together with Jack Rosenberg. Felix Nolan, 13 runs, came out towards the end and hit some great runs. In the end Marist was beating by the better team with our 20 over resulting in an unsuccessful run chase and finishing on 6/76.

6 Gold

One of the greatest displays of courage that seen from a young team occurred on the 27th February 2021 at Kianawah Park, Tingalpa. Facing the significant challenge of being outmanned with the Iona outfit having four more boys than us and our team only having nine, it was one of the best games played from a Marist outfit. The Iona boys won the toss and elected to bowl first, sending our boys onto a green pitch that was not ideal. The boys stood up and accepted the challenge with everyone on the team contributing. Major props have to be given to Hugo Dillane and Mason Irving who respectively combined for 30 runs and were our two most dominant batsmen. Stanley Grellman, Luca Bordignon and Shehan Tenison were also key contributors. After a gruelling innings the boys finished with a respectable 90 runs. What came next was nothing short of pure joy and excitement. The boys came out determined as ever and rallied for each other. This was a stark contrast in comparison to other weeks as everyone was talking in the field, encouraging each other to walk in with the bowler and to be in the correct position. The boys were dominant with the ball, compiling good overs with little to no runs. Eventually the Marist boys got them out for 80 runs, 10 runs short of our total. Major credit has to be given to Shehan, Luca and Fraser Ullman who all bowled spectacularly. In particular, Shehan took an amazing catch in the outfield. The smile on his face summed up the day for us. Congratulations boys. Your efforts have made your coaches very proud.

6 White

Despite some solid individual performances, the 6 White cricket team lost by 21 runs to Iona with a final score of 3 for 90 against 1 for 111. Stand out performances with the bat for this week go to our top run scorers Thomas Lynn and Lachlan Chandler who scored a total of 14 and 13 runs. Ben Fernan also deserves special mention with 2 boundaries. Also deserving of commendation with the bat are Archie Langler and Lucas Weir who managed to create a solid partnership with some excellent running between the wickets before they were both retired. Other retired players on the day included Harry Hind, Ben Fernan, Declan Barbaro, Lachlan Chandler, Jack Marshall, Thomas Lynn and Cooper Hayes. Our bowling is still a work in progress. Top bowlers on the day were Declan Barbaro with 0 wickets for 4 runs, Declan Blundell with 1 wicket for 7 and Sam Turvey with 0 wickets for 10 runs. Lucas Weir and Ben Fernan also proved their worth with an equal bowling record of 0 wickets for 11. This week, the team's focus will be on remaining focused whilst out in the field.

6 Green

The mighty 6 Green team had another good win this week – this time against Padua with MCA 3/66 defeating Padua's 3/46. Congratulations to Archie Engstrom, Tomas Hammond & Matt Alvarez who each took a wicket with their spectacular bowling. Top score this week goes to Matt Alvarez 11*, followed by Ben Gilbert 10* and Callum Curtin 8*. Again, great work by Archie Engstrom & Caleb Van Coevorden as our shared 'wickies' as they managed to control the field and keep the oppositions runs to a minimum. Well done to Billy Lenehan who bowled a maiden over. The team has really gelled and all the boys are showing new and improved skills and confidence in the game.

5A

The 5A's arrived at Flat 5 bright and early with one thing in mind. Win. With a tremendous opening bowling session resulting in Iona being left for 5/56 at drinks the boys started strong! The boys maintained the pressure bowling Iona all out for 87. With a low target to chase the boys could have easily fallen to complacency but collectively built a steady and classy innings, posting 7/118 and securing a fantastic second win of the season! Special mentions go out to Vincent Heenan (2/11 off 3) and Remi Sakzowski (2/9 off 2) with the ball and Will Silec (15 not out off 25) and Harry Cleary (15 off 17) with the bat!

5B

After a solid start with the ball the game was poised in the balance before Henry Walker took 2 wickets in an over which saw Marist go on to restrict Iona to 8/94. The boys started well with solid partnerships throughout the innings off the back of good running between the wickets. A classy innings from Hugo Burg and late hitting from Nicholas Steffens ensured a comfortable victory.

5C

Deciding to bowl first, Marist got off to a slow start, with some good batting from Iona and hot weather making it hard for the boys early on. Some tight bowling in the back half of the innings and good fielding managed to restrict the Iona batting to 75 of the 20 overs. In the second innings, Marist showed their most complete batting of the year. The majority of the boys retired, and the game came down to 5 needed of the last over. A wide and a 4 managed to secure Marist the win in a great game by both teams.

5 Gold

5 Gold had a good win over Iona on the weekend with the boys finishing on 7/97 and Iona on 4/74. Hamish Foxall showed some great batting hitting five consecutive fours. It's great to see improvement in the boys' bowling with Hamish Foxall, Isaac Long, Oscar Persson and Jack Lambley all taking a wicket. Top bowlers were Jack Lambley and Elijah Bany and our top batters were Jack Lambley (20) and Hamish Foxall (22).

5 White

A tough game for the Marist boys today against Iona, the boys really showed how much they have matured and gained a love for the game across the season. Losing by only 14 runs against a strong team, we have great hopes for the final two rounds for the season.
