The IGA Community Rewards program is designed to support local not for profit and community organisations by donating a percentage of what customers spend in-store.

IGA's pledge is to support community groups through every shopper scanning a Community Rewards Key Tag, and community groups can benefit by receiving 1% of these purchases back in a cheque at the end of the fundraising year usually in September.

*How the program works*

Customers join the Fairley's Supa IGA Community Rewards program instore by receiving a bar coded key tag that needs to be scanned at the checkout each time they shop Fairleys Supa IGA. Customers have the choice on joining, to allocate their points to a community group or collect personal rewards for those points or a combination of both.

The basis for points is one point for every $1 spent plus numerous bonus points ranging from 5-50 points for specific single ticketed product purchases.

Our school is already registered with Fairley's IGA North Shepparton and the P&F encourages families to consider assigning their rewards points to our school in a simple fundraiser.

If you already have a rewards tag you can change who your points go to or assign a percentage of your points earned to different community groups. If you do not already have a tag you can sign up to get one.

The forms attached can be printed, filled in and returned to Fairley's IGA to assign you community rewards points.
