Around the Grounds

6A

6As suffered two early goals conceded however did not give up. The boys persevered and gave it all up to the final whistle. The second half the boys showed determination. Ultimately luck was not on their side, and the boys couldn't find a way back. However full focus is back onto training and round 2s game against Villa.

6B

Boys rocked up to the first official home game of the season eager and confident to start the season off with a win. Starting off strong the boys worked well together to score the first goal within 10 minutes finished off by Raphael nicely. Coming into half time with the momentum the boys knew they had to score one more to close the game out. Up steps Richard Onal who slots away a beauty which started down the back with Kai and Flynn. Iona looked defeated and dropped heads while the boys continued with a bit of intensity demonstrated by Jack and Alex. Raphael on the full time found his second and the team's third. Credit to the lads. Big season ahead.

6C

A strong start to the season for the boys! We were able to overwhelm Iona through teamwork, technique, and commitment, resulting in a 7-4 scoreline. Most importantly, the boys displayed great character by being gracious in victory.

We started strong with five goals in the first half. Harvey opened the scoring with a textbook 'poachers' goal, reading the ball perfect through a crowded box and placing his shot in the back of the goal. Eddy scored our second, finishing off a nice cross-field assist from Ben. Cameron and Daniel both scored stepping up from midfield, demonstrating our dominance in that part of the pitch, before Eddy got his second goal to end the half. Our control the game was evident in Iona only being able to score through a well-placed free-kick, their only attack of note for the half, resulting in a 5 - 1 scoreline at halftime.

The second half was a more even contest. Iona came out strong and managed three more goals, though they would have had several more if not for Jordie's heroics at centre-half. Jordie led by example all game, using smart decision-making and tenacity to shut down attacks before they became a threat. Despite Iona's threat, we were still able to find the back of the net. Harvey got his second of the match with a lovely long shot and Eddy managed to get his hattrick goal.

This week's Man of the Match is awarded to our captain, Harvey. In addition to his two goals, he led with an insatiable work rate, running tirelessly to disrupt Iona's passes and dictating the pace of play. Both Eddy and Jordie were close runners-up for the award after their own strong performances.

Well done to Harvey and the rest of the boys on a excellent game of football. I looked forward to the rest of the season.

6D

A wonderful game from the team to take a hard-fought victory over Iona. The first half was a continuous back and forth battle with plenty of shots from both sides, however neither team could capitalise from their mixture of close and long shots. A tremendous effort from Harry Kim can be

attributed to the clean sheet in the first half with an incredible goal line clearance deflecting a powerful shot nearing halftime.

In the second half the team took control of the game and started applying pressure with shot after shot nearing the goals. Finally, Marist put two goals in the back of the net and the game looked sealed. However, Iona wasn't going away as they scored from an indirect free kick to bring the deficit back down to one goal.

However, this team held strong and kept Iona out for the rest of the half ensuring the victory would be theirs, congratulations boys and enjoy the week!

6 Blue

A big first up win for the young men of the 6 White soccer team, defeating Iona 6-0. A game played in great spirit, the lads undeterred by the pockets of bucketing down rain that interspersed with the bright sunshine.

MOTM Luca Rolls had an awesome game in the chasing the ball all over the field, scoring three of our goals with his bullet like kicks. Fellow MVP Eddie Porter also had a great impact on the game with excellent clearing kicks from the backline in the first half when playing centre back, and lots of probing runs leading to a goal in the second half.

Sam Fernan hustled hard the entire game winning a number of one-on-one contests and Harry Bray had some great saves in goal. A big thank you Ryan Noronha for hanging around in case we needed him.

We are looking forward to a great season lads. The hard work, teamwork and sportsmanship we saw on the field today impressed us no end.

6 Gold

It wasn't the result 6 Red deserved, but there was plenty to be excited about. Leo Clifford ran the show in midfield, dictating play, winning crucial battles, and driving the team forward with real authority. Some early setbacks and late goals against us proved costly, with luck not quite on our side at key moments. Up front, the strikers were lively all game, creating some excellent chances and constantly testing the defence. The boys lifted in the second half, putting the Padua defence under real pressure, but their keeper proved tough to beat and denied us time and time again. With that level of performance, results like this won't last long.

5A

5As got the job done with a solid 4-2 win after a slow start. We took a bit to settle, but a quality long-range strike from Harry got us going. Lachy came up huge in goals with some big saves to keep us in it when it mattered most. From there, our work rate especially in the press proved too much to handle. Well-deserved MOTM to Harry O'Flynn

5B

Boys tried but sadly it was not enough. They will be back bigger and better last week. Impressive performances and work rate from Oscar and Evan.

5C

Missing two key players, the 5 C Blue came from behind twice for a draw that felt like a win. Playing against a skilled Iona team, our defence worked very hard to contain their attack under Rusten's lead, very well supported by Matteo, Luciano and Patrick. The midfield was the key to this even game. Tom played a classic CDM role in the first half whereas Charly had a more offensive version of the role. With Jack and Pat on the sides, it was only time until the attacking team of Jensen first and full of energy Lyndon (after his stint at goalie) helped MOTM Daniel with his devilish dribbling and accurate shots at goal. Special mention to Lyndon and Tom who stepped up in Will's absence. We'll be better next week but what a start!

5D

5C Gold put together a strong performance to come away with a well-earned 3-1 win over Iona. We started brightly and were rewarded with an early goal, setting the tone from the opening stages. The boys continued to create chances throughout the first half, only to be denied repeatedly by an outstanding performance from the Iona goalkeeper.

After the break, we finally found another breakthrough goal to extend the lead and looked in control. Credit to Iona, who responded well and pulled one back, turning the contest into a real arm wrestle as both sides battled hard.

To our boys' credit, they stayed composed, kept working for each other, and eventually sealed the result with a third goal to finish deserved winners. A great team effort built on persistence, resilience, and strong football throughout the match.

5 Blue

It was a solid performance to start the season. Some great defence from Rocco and Ryder to keep the ball away from the goal. Unfortunately, some incorrect positioning let us down with tracking back into defence something we definitely need to work on. Some also noteworthy finishing from Thomas who secured himself 2 goals on the day. Overall decent effort for the first game and looking good for the season.

5 Gold

The 5 Red Football Team showed promising potential at various stages of the match but were ultimately defeated 6-2 by a strong Iona side. The boys made purposeful efforts to clear the ball and improve field position, which will remain a key focus as the season progresses.

Man of the Match was awarded to Teddy Hendry for his strong attacking runs and line breaks, which helped the team gain valuable territory. Congratulations also to Jack Hallo for his reliable performance in goal, particularly during the first half. Well done to our goal scorers, Tom McKenzie and Harrison Pulbrook.

Moving forward, training priorities will build on our kicking skills, increasing intensity in both attack and defence, and improving our ability to clear the ball effectively.

5 White

Playing with only 5 players it was going to be a tough day for 5 Green. Not shirking from the challenge ahead the Marist boys played above themselves to be down 4-2 at half time. Being numbered took its toll in the second half, but the boys did not stop trying.
