What We've Been Up To!

We have had a **fantastic time during Book Week** at Kelly Club! The children have enjoyed bringing their favourite stories and characters to life through creative activities, imaginative play and lots of fun. It has been wonderful seeing their excitement and love of books shine throughout the week! We have also had an out-of-this-world time exploring our **space theme!** The children blasted off into space, discovered new planets and even met some friendly aliens along the way. There were plenty of exciting adventures, creative play and lots of laughter as we explored the wonders of the universe!
