- Reminders will be sent out over the next few weeks in relation to medication expiry dates

Bookings

Please see our service flyer below with all the details you need to enrol and book your children. You may not require our services every day, but it is beneficial to create an account in case you need us unexpectedly.

The week that was...

Mini Beasts

Last week we spent time sharing and reflecting on the different bugs we have around the world. Our theme this week focused on what do we know about bugs, and at the end of the week we asked the children what they have learnt about bugs. We did this through implementing learning experiences that encouraged discussions surrounding these topics. The children enjoyed creating lego that is in a form of a bug, colouring a butterfly and creating a bug they know out of recycled items. Our weekly baking experience was, chocolate spiders that the children enjoyed making. The smell of the dark chocolate still lingers in the kitchen!

We enjoyed some time outside learning new sports skills such as soccer techniques and how to learn new volleyball techniques. Our goal this term is to implement more outdoor group games that encourage teamwork and lots of fun!
