PORT MELBOURNE TEAMKIDS NEWSLETTER

WHAT'S BEEN HAPPENING

Over Weeks 3 and 4, we brought the clubs planned with the children to life. **Slime, STEM, Cooking, Basketball and Soccer Clubs** have been especially popular, encouraging creativity, teamwork, skill development and hands-on learning.

In Cooking Club, children made and enjoyed delicious pancakes, waffles and donuts.

STEM Club was a highlight, with the exciting elephant toothpaste experiment sparking curiosity and plenty of enthusiasm.

In Slime Club, children explored sensory play by creating fluffy slime and glitter slime.

We have also been getting into the Halloween spirit. Children have enjoyed creating Halloween-themed crafts and decorations using air-dry clay, playdough and making posters. They also designed our spooky Monster Jail, featuring bats, ghosts, pumpkins and imaginative monster-themed designs.

We will continue to build on the children's interests and ideas by providing opportunities for child-led activities, creative projects, active play and hands-on learning.

We look forward to seeing what the children imagine, create and discover in the coming weeks.

Thank you for your ongoing support.
