30 July!

During Plastic Free July, we want to encourage our community to reduce our plastic waste.

Plastic never breaks down so avoiding plastic will help prevent landfills filling up and making pollution.

Making small changes can add up to a big difference!

## The competition

Kids and adults – enter our competition and take the pledge to be part of the solution to plastic pollution!

To enter:

- Write down how you will reduce plastic waste
- Take a photo of you with your pledge or your pledge in action
- Send your photo to us!

You could win a selection of low-waste plastic free items worth \$150.
