## Twilight Open Night at Valley View Secondary School

Parents, caregivers and community members are warmly invited to attend our Twilight Open Night on Wednesday 23 March 2022. The evening is specifically targeted to students currently in year 6 starting year 7 in 2023. However, all prospective families are welcome.

Meet and greet the principal and VVSS staff over light refreshments served in the picturesque garden setting.

Join a student escorted full tour of the school, viewing the dynamic learning spaces and range of excellent facilities the school has to offer.

Hear about the year 7 transition program, specialist and innovative programs and view the images of the proposed new building works.

Observe an experiment in one of the science laboratories, play a game of chess, talk on live Italian radio and be tempted by some amazing treats baked in the food and technology centre.

Principal Address begins at 5.30pm followed by student guided tours.

We look forward to welcoming you to our proud and vibrant school community.
