Great news! Our school has subscribed to the ELES Online Study Skills Handbook.

The ELES Online Study Skills Handbook provides a comprehensive and interactive online guide for the school community (students, parents and teachers) as to the study skills needed for success in high school studies. This approach taps into students' affinity with technology to create a new and effective way to improve students' study skills.

This is a great online resource for parents and students to address all their study skills issues and concerns and enable students to learn new ways to improve their results at school. The handbook has a huge amount of information for both students and parents as well as a large number of interactive activities.

To access the handbook, go to www.studyskillshandbook.com.au and login as a subscriber with these details:
