

Moree Little Athletics new season will commence next term and information about registration will come out on our Facebook page soon. We will be holding registration and "come and try" days at our training ground, Boughton Oval and you can try Little A's on those days before you register. We offer training and competition in sprints, hurdles, long jump, high jump, discus and shot put at age appropriate levels.

We would like to introduce javelin this upcoming season but want to know if there is interest from our older athletes - it is only available to kids in the Under 11 age group and older. Please register your interest via our Facebook page.

Don't forget you can use your Active Kids Voucher for registration.
