A rough week for the 6Bs this week. With not a starting team till 5 minutes before kick-off due to not being able to find the fields and we weren't at our best the first whistle. With plenty of key saves from our keeper Toby Watherston he kept us in the game till the final minute. But up front just unable to put the ball in the net with shots coming off the post a couple times to finish the game with an unfortunate 2-0 loss. Our man of the match this week is Seb Kaminski who played up for us this week and didn't stop running once. A tough loss but the boys are keen to get the first win of the season next weekend.

6C

The 6Cs started the game well and were keen to begin the game with an early goal. Thanks to some clear vision from the midfield, Sam Jones was able to get into space before scoring the opening goal. However, from that moment the Padua team gained control of the match, working harder for the ball, winning many of the 50-50 contests. Down 3-1 just after halftime, the Marist boys needed to dig deep - which they did. Seb Kaminski scored another fantastic team goal to draw closer with a few minutes left. On the final play of the day, Marist had an opportunity to score and equalise, with the shot just going over the goals. A tough result, but the boys will bounce back next week.

6 Gold

Great game from the boys today! The boys held a strong 2-2 draw in the first half with both of our goals coming from great build up play from the defensive line. Unfortunately, during the second half we conceded a shocking 3 goals to end the match at a 5-3 loss. The boys showed dedication and determination to winning possession of the ball and kept composure when playing out from the back. Good stuff from 6 Gold today!

Another action-packed week for the 5A's with the boys rolling into round 3 still undefeated. Goal scoring appears to be a clear strength of the boys as they once again took a 2-0 lead in the first half, with goals from Ben and Taylor making the difference. Shortly after the break, Padua showed their resilience, however, levelling the scores with some well-worked counterattacks. However, Marist weren't finished, with Oscar Munro finishing off a great team goal to give the team one hand on the three points.

But with seconds remaining, disaster struck, with backup goalie Josh (filling in for George who was injured mid-game) picking up a back pass, giving Padua a free kick which they calmly scored. With this being all but the last kick of the game, the final result was 3-3.

The boys should all be commended for the overwhelming support they showed their backup goalie after the game, with the entire team rallying around Josh in what was a great display of empathy and humility. Well done, fellas.

5B

Yet again, the Marist 5Bs put on an absolute masterclass this weekend, defeating the Padua 5Bs 5-0. A win of this magnitude is not only testament to their raw skill and natural talent, but sense of teamwork and camaraderie.

Although the initial minutes were a bit of a land-lock, with no team having any open shots, Marist soon found the back of the net. Max, in his true fashion, scored a goal off an exceptional touch, putting Marist up 1-0. The cards quickly stacked in our favour, with another goal from Max being recorded just before half time.

With spirits high, Marist quickly found themselves in a goal-scoring frenzy, notching up another 3 to finish the game; a flashy display of dribbling from Orlando and two dimes from Noah Cairns.

Special mention to the backline this weekend: Aaron, Tom Cairns, Tobey and Tejas all repelling Padua's offence time and time again. They are one of the reasons the 5Bs have been so successful week in and week out.

Tobey Patricks performed especially well. His backtracking, 2 assists and consistent effort plays did not go unnoticed from Reagan and I. Congratulations on Man of the Match!
Another exceptional performance all round from the 5Bs. Keep the positivity up and looking forward to seeing everyone play on Saturday!

5C

Sensational team effort from the 5C that dominated a spirited Padua team from the first moment. Particular mention to Thomas Guigni who did not miss the opportunity to play at his preferred position as attacking midfielder. Great pressure on the Padua defensive zone resulted in plenty of scoring opportunities.

5D Black

In spite of next to no warm up because of a starting time confusion with Padua College, the 5 D Black team was able to compose themselves and quickly showed their fire power up front. With Ross Murie dominating the midfield, many boys had scoring chances and most boys took shots at goal.

5D Gold

The boys put on a dominant display this week, keeping the constant pressure on the Iona's defenders. This led to numerous opportunities for the strikers which was reflected by the final score. Our defenders' efforts are also to be commended for the patience - keeping a clean sheet

5D White

Strong performance from the boys this week with lots of possession and multiple opportunities. Keeping the ball in the attacking half led to the win. Brilliant sportsmanship from the boys on the bench was shown when they noticed how many subs the opposing team had and decided to run their own mini match on the sideline. Overall, a great job by the 5 white this week.

5 Green

5 Blue

In their tightest match to date, the Marist 5 Blue football team narrowly fell to Padua with a score of 3-4. The team displayed greater cohesion and a deeper grasp of both strategy and positioning. The energy on the field and the sideline was palpable, with numerous scoring chances presenting a significant improvement from prior matches. While many players were at their peak, standout mentions are well-deserved for Cooper Brandis and Charlie Herbert, whose persistence and vibrant energy were notable. A special acknowledgment is also due to our most improved players, Henry Broadfoot and Will D'Arcy, who excelled in strategic play and skillful ball clearing. Looking ahead, our focus will be on 'winning the ball' and refining our goal-scoring tactics.
