ST JOSEPH'S  
COLLEGE MILDURA

St Joseph's College aspires to be a living sign of faith, hope and love as we build a welcoming learning community for students, staff and families. We aim for the education of the whole person in an inclusive Catholic community where dignity and respect for the individual complements the fulfilment of potential in all of our endeavours.

The College Advisory Council provides advice and support to the Principal and the Staff of the College. Members of the College Council are valued for their wisdom and the contribution they make to the functioning of the College and work together to ensure that the Mercy Ethos underpins the life of the College.

The Advisory Council meet six times a year, from February to November. Our current group of Councillors offer diverse professional skills and backgrounds. Some are parents, former parents or alumni and brief biographies of all can be found on the School's website <https://www.sjcnda.vic.edu.au/advisory-council>).

All Councillors serve in a voluntary capacity and are bound by a code of conduct. No Councillor receives a financial or other benefit from the School.

In order to indicate an interest in being considered for appointment as a Councillor, individuals are asked to submit the below application. All applications will be reviewed and assessed confidentially in line with our privacy policy. Selected candidates will be invited for more detailed discussion and interview.

*Mr Greg Kluske, Principal*
